Subject: CORESTA BOARD MEETING - ROME OCTOBER 27, 1989

Attention: Secretary to Dr. Bourlas--Please prof reply if Dr. Bourlas is unavailable to do so.

I will want to talk with you about this. The problem is that I will be attending, at Geoff's request, the EEMA and Latin American/Iberia 1990 OB presentations on Wednesday and Thursday mornings going each day until about 1:00 New York time.

Would you please prof or call Wednesday to let me know if I can reach you Wednesday night at your home, say around 8 or 9 pm?

Has the RJR position changed since your Rome report?

I will want to talk with the RJR lawyers here about this, but after I hear from you.

Regards,

Bradley
